

# Conference App Basic Features

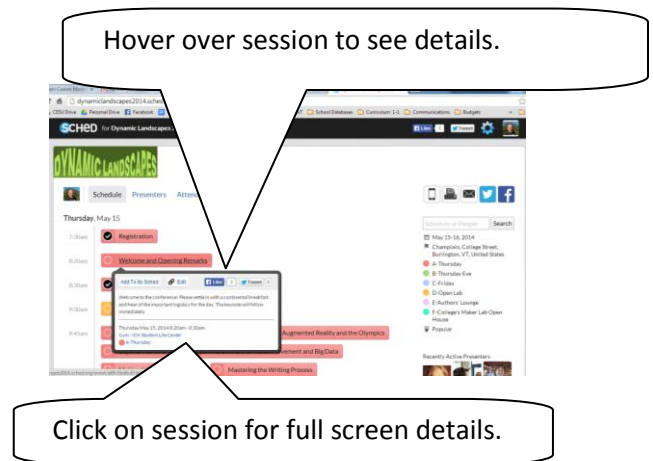

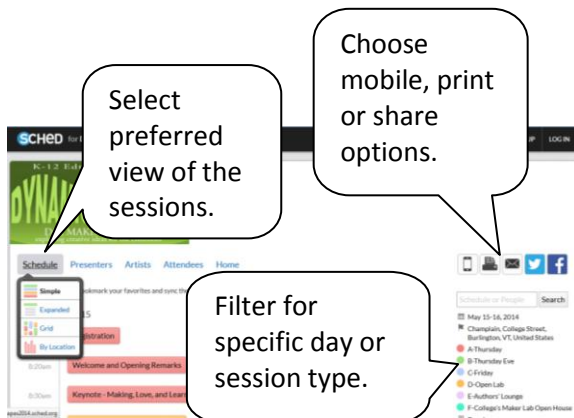

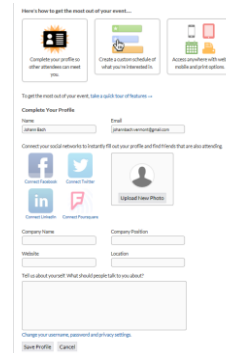

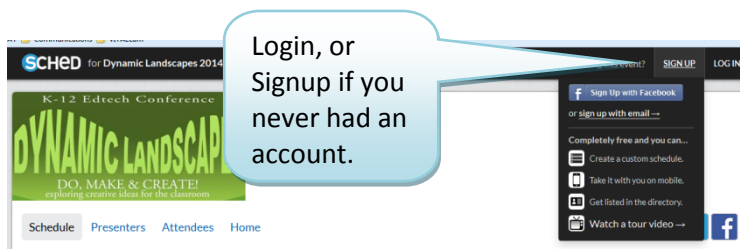

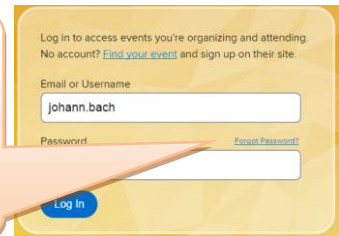

## Why have a sched.org account?

- Create and save a custom schedule
- Use the mobile app.
- Use your account for any future conferences at which sched.org is used.
- Edit your profile
- Choose to be visible or not visible on the attendees' directory.

## HOW?

### Re-use Your Account, or Create One for the First Time

- If you had an account in the past, use it again.
- If you are not sure if you had one, or forgot the password, click on **Forgot Password**.

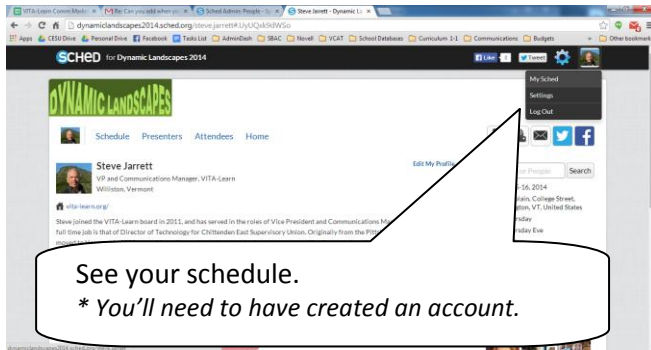

If you like, click "Add to My Schedule".  
A check mark appears on those sessions.\*  
\* You need to have an account.

Presenter's resources:

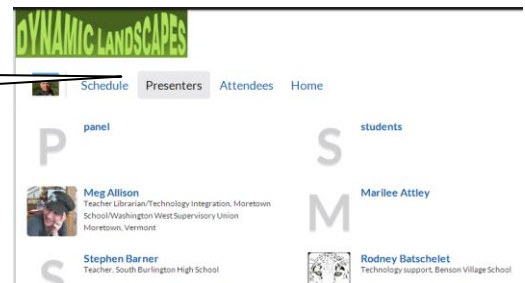

Note: This link is an option for presenters to post.

See your schedule.

\* You'll need to have created an account.

Via the Presenters' tab, click on a presenter and see their sessions.

Use the Links tab to return to the conference home page and other pages.
